The applicant is responsible for having the recommendation letters emailed to Dr. Rolando Del Maestro, Chairperson of International Medical Student Scholarship Committee at rolando.delmaestro@mcgill.ca before the November 30, 2024 deadline for consideration of the award for the summer of 2025.

9. Brief abstract of your project proposal. Use only the space provided.

10. Please outline: how and why you became interested in the topic of your project proposal?

11. Project proposal: attach a detailed description in no more than two pages of your project including the goals of your research. Please indicate, as specifically as possible, the materials held in the United Kingdom that will be consulted. Please describe how you will use your award to pay for travel expenses *in a separate sheet* forwarded with this proposal.

12. Curriculum Vitae: attach your current CV, making sure to include the following:

- a. Educational history:** include any programs in which you currently have or have been previously enrolled as well as any experience that you feel may provide the reviewers with information concerning your ability to successfully complete this project over a 4-week period. Include institutions, fields of study and degree received (if any).
- b. Research and professional experience:** include all work experience that you consider relevant to this award
- c. Professional and academic honors**
- d. Personal bibliography:** include any journal articles, book chapters, books or other publications

13. Agreement and Signature: Please read and sign

If awarded the International Medical Student Scholarship Award, I agree to present a research report suitable for publication in the Newsletter of the American Osler Society and an abstract for presentation at the American Osler Society Conference after completing my research.

I will also acknowledge the financial assistance of the American Osler Society International Medical Student Scholarship Award in any publication, other work, or presentation of this research. I will also provide the American Osler Society with a copy(s) of any of these publications.

I certify that all information given in this application is true and complete to the best of my knowledge.
